Guidelines for Quizzes
25 percent of your grade

During this course, you will take five quizzes. You will find the quizzes under the Assessments tab in our TRACS site.

The quizzes will be available to you from 8 a.m. to 11:59 p.m. on the day they're due.

Example: The quiz on March 30 will be open from 8 a.m. to 11:59 p.m. on March 30. Late submissions **will not** be accepted.

The quizzes will cover the subject matter from your reading, and the video and audio files, so it is imperative that you follow the daily Syllabus instructions.
